

## RESULTS October 17 National Outreach—Stand Up Event

### Instructions for Connecting to Paul Farmer for His 2:00 pm ET Address

Please read the instructions below carefully to choose how you want to connect. Note: the call in number is not our traditional number.

Keep reading for instructions on how to test your video conferencing connection on Thursday 10/15 any time from 6:00 to 7:00 pm ET.

### Connecting Via Telephone Conference on October 17 (no video).

Equipment needed: Speakerphone

1. Dial into the following conference call number at 1:55 pm ET:
  - Phone and meeting number (passcode): (866) 699-3239, meeting number 660 716 498 # # (pressing two #s will put you directly in the call and help you avoid other instructions).

### Connecting Via Video Conference on the Internet

Equipment needed:

- Computer connected to Internet
- Internet connection by DSL, cable, or equivalent (dial up will not likely work well)
- Speakers connected to your computer if you want to listen to the audio over the Internet
- Speakerphone if you do not have speakers connected to your computer, or to use as back up if you have problems connecting via the Internet. Note: in a pinch an iPhone or similar phone with external computer speakers attached can become a speakerphone.

A. Video Conference Testing (optional): Thursday, October 15 from 6:00 to 7:00 pm ET

If your group would like to test its equipment and connection before 10/17, you can join us on Thursday October 15 from 6:00 to 7:00 pm ET. Here's what you do:

1. From your computer, click or copy the below link into a browser address bar:  
<https://resultsevents.webex.com/resultsevents/onstage/g.php?t=a&d=669260828>
2. *Note: this link will only work during the test period.*
3. Enter your First name, Last name, and email address
4. Enter the event passcode of: **welcome**
5. If you see something like, "*WebEx wants to install an Active X client*", click allow, yes, or ok. This will add a WebEx plug-in to your browser.
6. You will then be entered into the WebEx meeting. The audio of the presenters will be heard over your computer speakers.
7. If you do not have computer speakers or sound card on your PC, you may click on the "Request" tab on the right side of the screen to view the dial in number for the event.
8. If you see video and hear sound, you are all set and can leave the test.

B. Live Event on October 17 at 2:00 pm ET (join the video conference 15 minutes early).

1. From your computer, click or copy the below link into a browser address bar:  
<https://resultsevents.webex.com/resultsevents/onstage/g.php?t=a&d=660716498>
2. *Note: this link will only work during the live event and is different than the test link.*
3. Enter your First name, Last name, and email address
4. Enter the event passcode of: **welcome**
5. If you see something like, "*WebEx wants to install an Active X client*", click allow, yes, or ok. This will add a WebEx plug-in to your browser.
6. You will then be entered into the WebEx meeting. The audio of the presenters will be heard over your computer speakers.
7. If you do not have computer speakers or sound card on your PC, you may click on the "Request" tab on the right side of the screen to view the dial in number for the event, or just dial: phone: (866) 699-3239, meeting number: 660 716 498 # #.

## **Support**

- There will be an on-line technician providing instructions and trouble shooting as you connect to the video conference both during the test and for the live event.
- If you need additional technical assistance for the live event, dial: 1-866-229-3239.
- Connect the video conference 15 minutes early if possible. You will be allowed to connect as early as 1:30 pm ET.
