

COUNTING INSTRUCTIONS

It is very important to tell us how many people attended your event. Your count helps us know how many people worldwide are participating and is essential to breaking our Guinness World Record for the largest mobilization in history. These numbers collectively reflect the power of the global movement.

If you have registered an event, complete the following steps on the day of your event:

1. Login to your account to view your event details
2. Select your event from the dropdown menu
3. Enter the number of actual participants
4. Press the 'Submit' button

TECHNICAL SUPPORT

Contact us if you have any problems with the website. For any problems related to adding your events or reporting event numbers on this website, send an email to info@standagainstopoverty.org. Include your event link, event title, and your username in the email so we can easily identify your event and resolve your problem.
